don Quijote Spanish school was founded in 1986 and consolidated its leadership throughout the years with a focus on the quality of its courses and the satisfaction of its students. A course at don Quijote is more than Spanish learning, it also means having a wonderful experience and making friends from all over the world. More about don Quijote >

Destinations Combine Cities

don Quijote owns schools in a number of cities. All schools use the same teaching method, allowing you to study at different schools within the same course. For example, you can study 2 weeks in Tenerife, 2 weeks in Barcelona and other 2 weeks in Granada following your course and with the same quality teaching. ·Barcelona

Spanish courses at don Quijote

don Quijote offers a broad range of courses, from intensive (20 hours a week) and superintensive (30 hours a week) to courses combining special activities. In Tenerife there is a scuba diving course with Spanish lessons, preparation for the DELE (official Spanish Certification) or a course with special activities for seniors (over 50 course). More Spanish courses > IntensiveSuperEach day you will have 4 Spanish classes in groups of a maximum of 8 students. This is available in all the don Quijote schools and for all levels: from beginners to the most advanced. Moreover, with the "Formula +1*", you will have free optional subjects each day. This course of 6 classes daily is exactly the same as the intensive course described above in terms of contests and conditions. The difference is that you will have 2 extra classes, practising the language. This course is not available at our schools in Latin America.
